#WearBlueDay: April 5, 2019

Show your support and wear your favorite blue jeans, blue jackets, or blue anything to raise awareness about child abuse and neglect.

OUR GOAL:

#WearBlueDay will support our Pinwheel Project during the month of April thanks to the generosity of community members in your workplace who wear blue and donate at least \$5 to Champaign County CASA. Each of our 400 pinwheels across Champaign-Urbana represents a child currently served by CASA.

Funds raised will go to support our training and recruitment efforts to support volunteers who give abused and neglected children a voice.

HOW IT WORKS:

Each employee who wears blue for child abuse is **encouraged to donate at least \$5** to help us sponsor all 400 pinwheels. We'll provide all the resources needed, like email and social media templates.

Even if you already wear jeans on Fridays in your office, this is a fun way to get all of your staff giving for kids in need.

Thank you for your support!

Please fill out the form attached by March 25, 2019.
